

At Home with Traditional Christmas Colors!

OUR HOME & ENTRYWAY (1, 2 & 3) Red, white and green outdoor lights marching across our roofline echo the tree seen through the window. Cardinal and candles welcome guest to our home.

THE LIVING ROOM & DINING ROOM SUITE (4 & 5) White couches with red and green pillows blend beautifully with April Cornell's vintage "Birds & Boughs" table linens. It's Christmas - and we're ready for guests.

MASTER SUITE & DOUG'S DEN (6, 7, 8 & 9) Christmas touches in the master suite herald in the holidays - while Doug's den is all about golfing Santas, nutcrackers and a golf & ski-themed tree lit by special Bud Lite lights (a gift from Doug's friend).

KITCHEN & "THE NOOK" (10 & 11) We love the breakfast nook in the morning, especially if there is a fresh dusting of snow - as this space overlooks the back yard.

THE GUEST SUITE & PITTYPAT GALLERY (12 & 13) Our bungalow's lower level divides itself between a bedroom, bath and den for visitors (trucks & trailers is the theme here). This time of year in Pittypat Studio & Gallery, it's ALL about local Holiday scenes.
