THE MASTER BEDROOM SUITE AND DOUG'S DEN ● (12-15) Our master bedroom is decorated with the feel of a Spring meadow. Vintage linens created by Liz Claiborne reflect the outside perfectly! The theme here is Peter Rabbit, famed artist Beatrix's Potter creation.

DOUG'S DEN ● (160) This room is comfortable place for Doug (and guests when the sofa-sleeper is set up) to relax, watch golf and debrief at the end of a busy day. Golf is the theme - a homage to Doug's passion!

A FRIENDLY ENTRY INTO OUR COTTAGE'S LIVING ROOM ● (1-7) After a crisp, windy Winter, Mother Nature's handiwork has appeared! Pots are bursting with blossoms, hillsides are covered with wild blowers, and birds are chirping from dusk to dawn. My vintage bunnies dot the scene and say "WELCOME SPRING!"

BUNNIES AND BLOSSOMS ● (8-12) April Cornell's floral linens are home to more of my vintage bunnies on dining table that Spring-themed paintings overlook. ● A coffee mug sweetly echoes the living room sofa pillow's message.
